These students will have a class picture taken with Boxer and keep him in their classroom for the month. Dear Parents,

When we return from our break, let's make a concerted effort to see that our students are dressed appropriately for school. With today's styles, unfortunately, we're seeing a little more of our student's back sides than we want to when they are sitting down. Please be sure that jeans fit around the waist or use a belt if that would help. Also, remember that we are a climate controlled building, so we don't need to wear spaghetti straps in school. Thanks so much!

Our students have been working hard and they deserve a rest during our Spring Break! I hope everyone has a great time during our break and that everyone stays safe and happy!

Sincerely,

Dr. Melliger

Severe Weather Awareness

On Wednesday, April 8, a mock tornado watch will be issued at 9:50 a.m. by the National Weather Service followed by a mock tornado warning at 10:10 a.m.

The once-a-month sound of tornado siren testing soon will be gone from Saturday mornings in Douglas County. Instead, beginning May 6th, the sirens will sound at 11 a.m. on the first Wednesday of every month. The change will allow schools to practice safety drills and emergency procedures.

North Middle School registration for the 2009-2010 school year is beginning. There will be two parent meetings in April.
