***No children or adults will be outside when there is lightning.

Dear Parents,

This is the season when we sometimes experience severe weather. Please be assured that your children will have a tornado drill in school just as we do our fire drills. Remember that during storms when there is lightning, nobody will be outside crossing students at crosswalks. We don't want to hold up umbrellas when it is lightning outside! ☺

We are heavy into our assessments. Please do not schedule any appointments or trips during your student's assessment dates. Grades 3 and 4 will test next week and grades, 1, 4 and 5 will test from March 30 through April 3. It's really hard on the students when they have to make up tests and miss time from their regular school day to do that.

Happy Spring!

Sincerely,
Dr. Melliger

Aldrich Mission Statement

Severe Weather Awareness

On Wednesday, April 8, a mock tornado watch will be issued at 9:50 a.m. by the National Weather Service followed by a mock tornado warning at 10:10 a.m.

The once-a-month sound of tornado siren testing soon will be gone from Saturday mornings in Douglas County. Instead, beginning May 6th, the sirens will sound at 11 a.m. on the first Wednesday of every month. The change will allow schools to practice safety drills and emergency procedures.

Dear Aldrich Orchestra Parents:

Orchestra students will participate in the Aldrich Spring Instrumental program on Thursday, March 26 in the Aldrich gym. The program which involves orchestra and band will be performed twice that day. The students will play for the school at 2:30 P.M. **(there will be 440 students and staff in the gym and absolutely no room for parents and visitors)** and again for parents and families at 7:00 P.M. A wire music stand will be needed for both performances. For the daytime program neat-looking school clothes are appropriate. For the evening program students are encouraged to dress up.

- 4th grade orchestra students will have one rehearsal all together on Monday, March 23 at 7:55 A.M. in the vocal music room. **4th grade students should bring their wire stands for the rehearsal on Monday and for the concerts on Thursday.**
- All 5th grade orchestra students will rehearse together on Wednesday, March 25 at 7:55 in the vocal music room. **Mr. Switzer has excused those orchestra students who normally have band on Wednesday mornings so that they can be at the orchestra rehearsal. 5th grade students will not need to bring their wire stand from home until Thursday for the concerts.**
- Thursday, March 26 Evening tuning and warm up
4th and 5th orchestra students – 6:40 P.M.

Performance is an important part of a child's playing experience. It will be positive and rewarding for all if each student is attending class regularly, practicing steadily at home, and recognizing the importance of his/her presence at the concerts. Thank you for your support of the instrumental music program. The students are looking forward to the Aldrich Spring Program!

Sincerely,
Mrs. Hinz
Orchestra Instructor

*5th grade parents – Don't forget to enroll for the Orchestra Invitational at Millard North Middle School on Saturday, March 28, 2009.
